

HERBERT HOOVER PAPERS
FILES OF PRESIDENTIAL SECRETARIES, 1915-1933 (bulk, 1929-1933)
242 linear feet, 10 linear inches (555 Manuscript boxes)
Herbert Hoover Presidential Library

SCOPE AND CONTENT NOTE

The series primarily contains cross references and abstracts of letters referred to various governmental departments and agencies for attention. These provide leads to additional information in other series within Herbert Hoover's presidential papers and within record groups at the National Archives. The series also contains some correspondence. The materials are arranged alphabetically in name and subject files and chronologically within folders.

Note: folder titles starting with the word GROUP contain materials that pertain to a number of different names and topics that fall within the indicated alphabetical sequence.
