## If I were President...

My campaign would promise...

---

---

---

---

My slogan would be...

---

These people would live in the White House with me...

---

---

### Word Bank

Campaign-

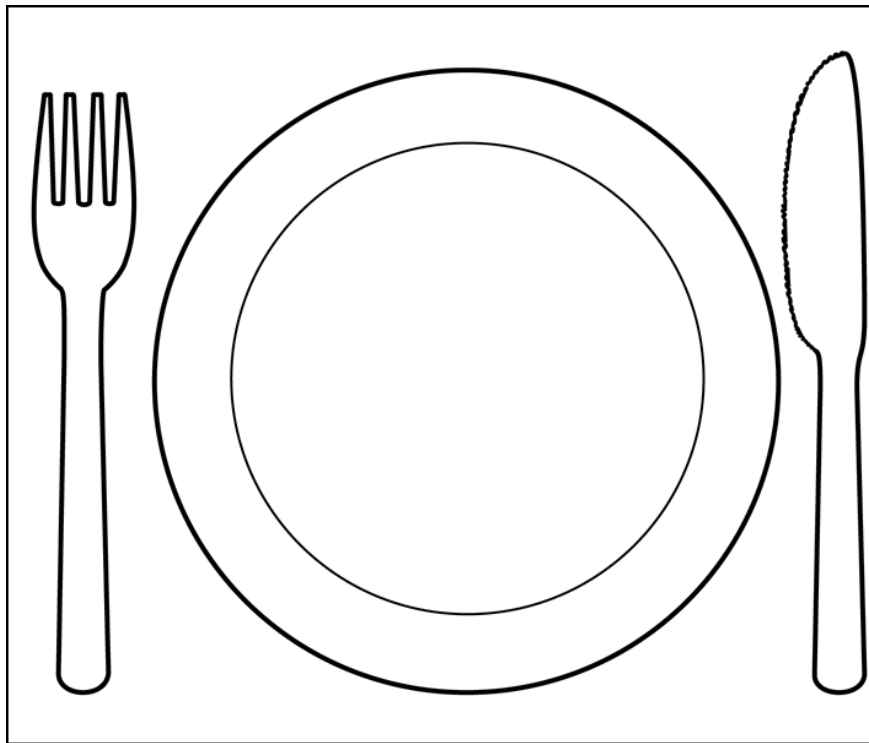

a race between candidates for the Presidency

Slogan- a short and striking or memorable phrase

White House- 1600 Pennsylvania Ave., where the President lives in Washington, DC.

White House China- Presidents get to choose the design on their "official" plates.

My White House China would look like this...

I would change the world if I was President because...

---

---

---

---

These pets would live in the White House with me...

---
